**Note: Installation costs not included.**

The STIHL iMOW® RMI 632 P is designed to automatically mow the lawn for you on a consistent basis and in a quiet and efficient manner. It features flexible programming, automatic charging, intelligent hood sensor (allowing the iMow to work around solid objects), a durable double-sided steel blade, adjustable cutting heights, and more – all powered by a reliable STIHL Lithium-Ion battery. Over the course of 40 hours per week, the RMI 632 P delivers a beautifully manicured lawn while you're out enjoying your life. This smart mower is serviced by specially trained STIHL iMOW Dealers who will customize it specifically for your yard. Come check it out at our Dealership today!
